

Metabolic Disease Wiki Project Rubric

Group Members: _____

Disease: _____

Content:

_____ 1 pts. Name of disease in heading.

_____ 10 pts. Introductory paragraph explaining disease.

_____ 10 pts. Description of molecular basis of disease.

Presentation:

_____ 2 pts. Collaboration by all members of the group. The page history will be examined to verify all members have contributed.

_____ 2 pts. Visual Appeal. Graphics are used to further explain your disease.

_____ 2 pts. Organization. A table of contents, headings and underlining are all used appropriately.

_____ 2 pts. Hyperlinks. A variety of hyperlinks are included so that your page can be used as an effective and credible source of information. Be sure all your links work!

_____ 2 pts. Original wording. Summarize information but DO NOT COPY IT. All sources must be cited in a separate section at the end of your entry.

_____ 1 pts. Spelling and grammar.

Bonus:

_____ 2 pts. Effective and engaging sound or video files are included.
